Fuel Wood Application

Personal use fuel wood applications are now available at Alpena City Hall, Department of Public Works and on the city's website at www.alpena.mi.us at no cost.

Wood is located at the wood lot on US-23 North, next to Suburban Propane. The wood located at this lot is wood produced from the removal of city street trees. Adjacent homeowners were given the first right of refusal for this wood. As opposed to letting it deteriorate, the city is offering it to the public after completing the application.

Wood on the lot is available on a first come first serve basis.
