

# City of Alpena

## News Release of April 19, 2024

### North Second Avenue Closure

On Monday, April 29, 2024, the City of Alpena's Contractor, Team Elmer's, will begin the reconstruction of North Second Avenue, between Fletcher Street and Hueber Street. Due to the length and complexity of the project the construction will be done in stages.

To facilitate material and equipment delivery, the block between Oldfield Street and Miller Street will be closed to all traffic beginning Friday, April 26.

On Monday, April 29, 2024, north of Fletcher Street intersection to Clark Street will be closed to all traffic. It is anticipated the intersection of Fletcher Street will remain open for the duration of the project. There will be a short period of time that the cross streets will remain open to allow for access. Access to driveways will be limited and residents will have to park on side streets for extended periods.

Signage and barricades will be present to guide traffic around the construction site, but motorists are advised to seek alternate routes.

Please watch for additional public notices about this project thru the local news outlets and the City Website.
