Seasonal Boat Launch Permit

The City of Alpena now has seasonal boat launch permits available for purchase for 2017. These permits are available at the City Clerk's office at Alpena City Hall, the City Water Recycling Plant at 210 Harbor Drive, and the City of Alpena Marina during when they open for the season.

Permits from 2016 are good until March 31, 2017. Beginning April 1, 2017, new launch stickers will be required.

Annual launch permits have been increased to \$50.00 for the season. Daily launch fees will be raised to \$7.00. The increase is needed to help cover increased maintenance cost associated with the launches.

The City wishes everyone and safe a happy boating season.
