

# City of Alpena

News Release of March 22, 2017

## SEASONAL BOAT LAUNCH PERMITS

The City of Alpena now has seasonal boat launch permits for 2017 available for purchase. These permits are available at the City Clerk's Office at Alpena City Hall, the City Water Recycling Plant at 210 Harbor Drive, and the City Marina during regular business hours.

Permits from 2016 are good until March 31, 2017. After April 1, 2017, new launch stickers will be required.

Annual launch permits have been increased to \$50.00 for the season. Daily launch fees will be raised to \$7.00. The increase is needed to help cover increased maintenance cost associated with the launches.

It is anticipated to have the launch dock in place behind the post office next week. In the meantime, the snow has been removed from the launch area making it possible to launch a boat prior to the dock installation.

The City wishes everyone a safe a happy boating season.
