News Release of April 18, 2017

Second Avenue Bridge Closure

Beginning on Saturday, April 22, 2017, the Second Avenue Bridge will be closed to all pedestrian and vehicular traffic in coordination with the ongoing maintenance work being performed on the bridge.

This process will interrupt all traffic; therefore, commuters are asked to plan accordingly. Detour signage will be in place to reroute traffic. All local businesses will remain open and can be accessed via the detour route.

This is the first phase of a two-phase closure which shall occur as follows:

Full Closure and Detour:

Saturday, April 22 to Friday, May 5

Open to traffic:

Saturday, May 6 to Sunday, May 14

Full Closure and Detour:

Monday, May 15 to Friday, May 26

These time frames could be extended if weather or construction delays occur. Your cooperation and patience are appreciated during this time.

Additional news releases will be issued as each phase begins.
